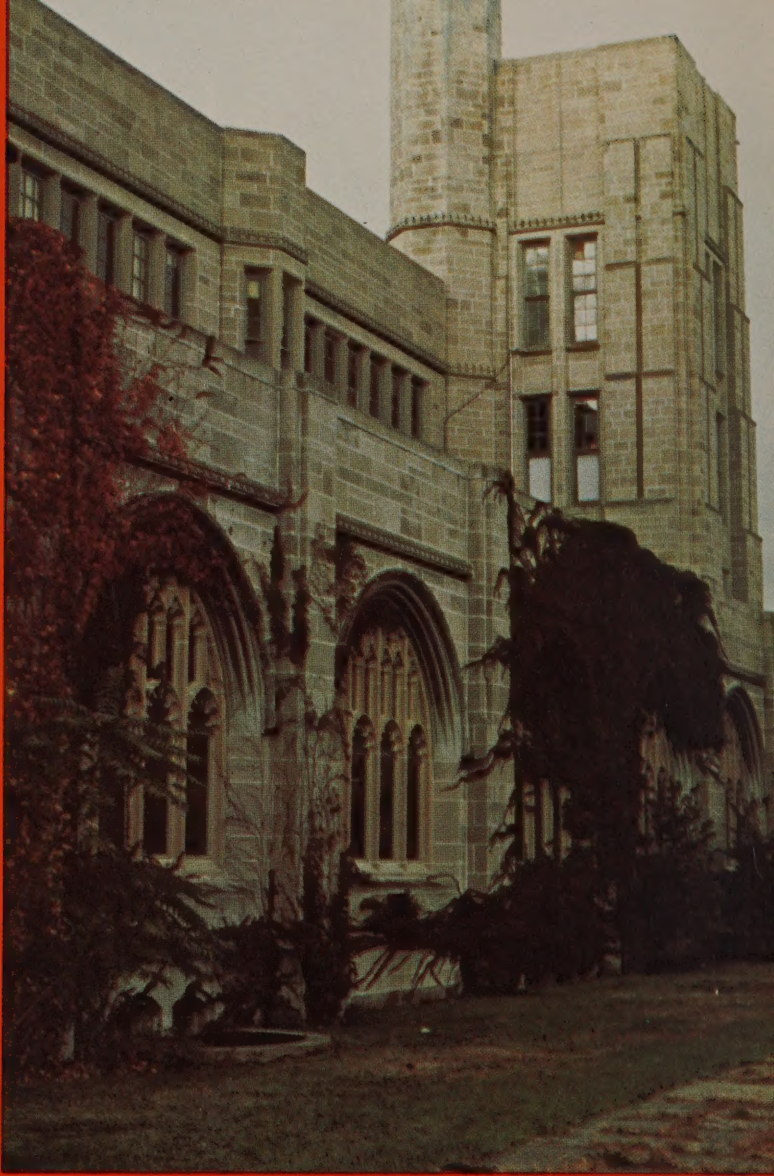
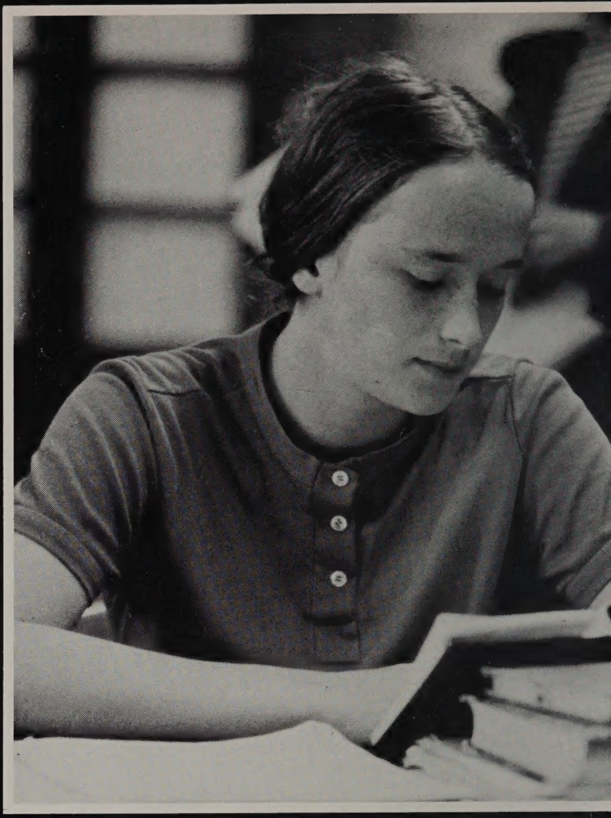
Memories . . .

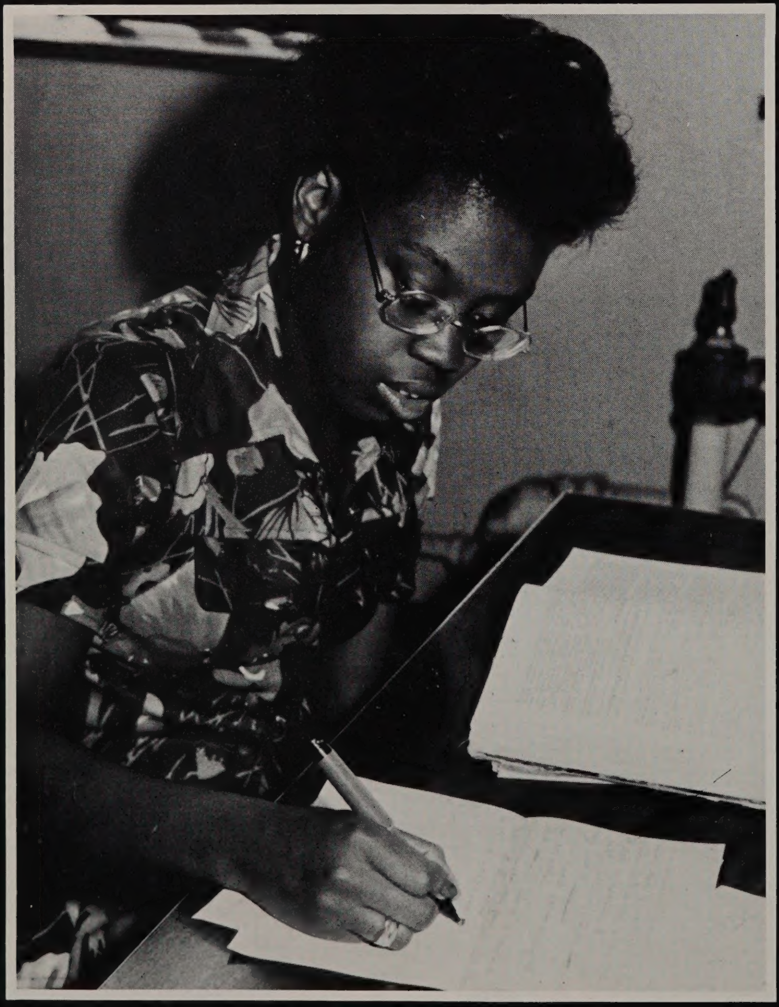


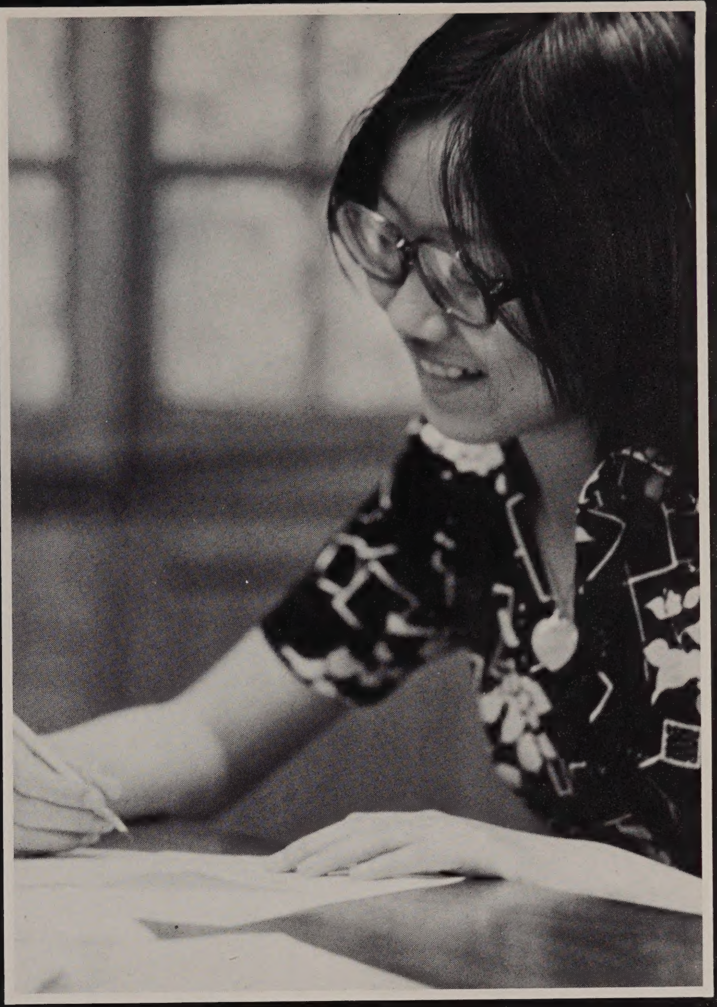
We the People

AMMCO
PRECISION BRAKE

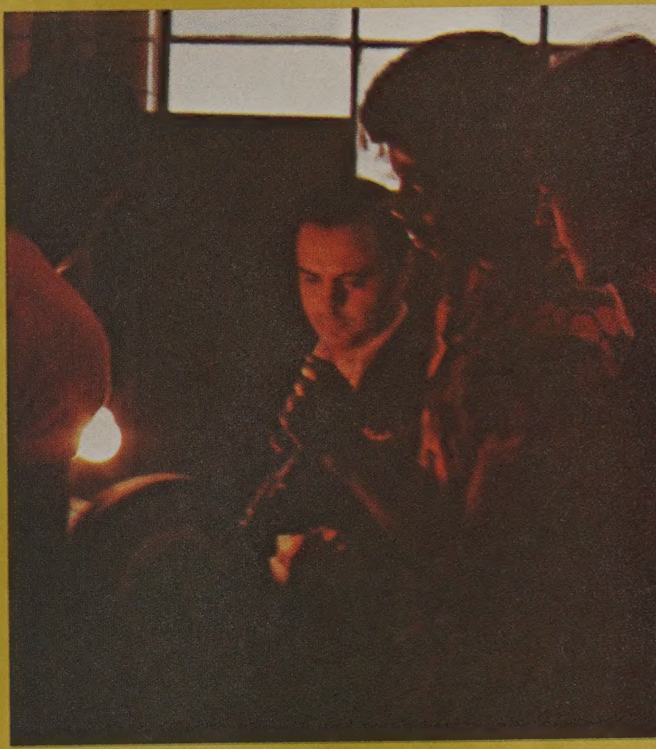
. . . of our years together . . . .





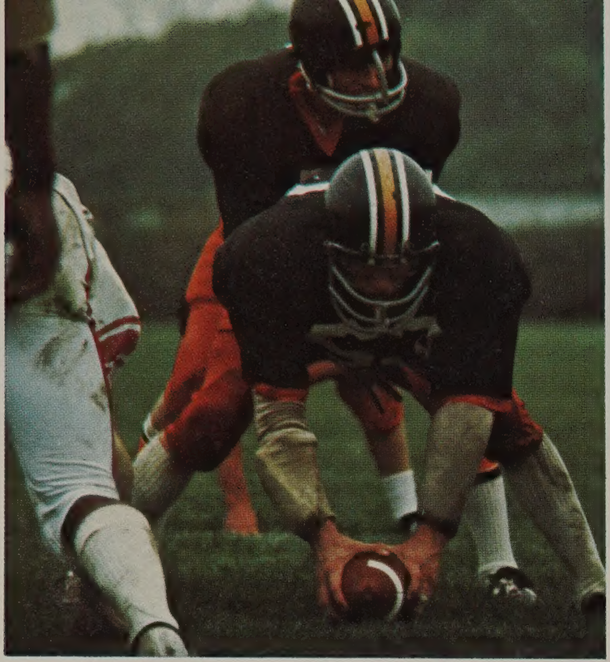


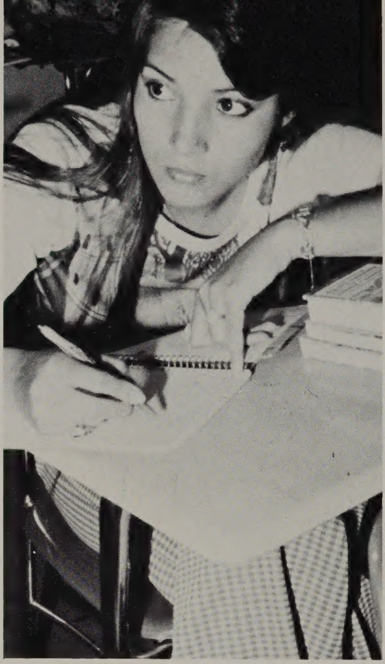
. . . of rewarding and varied learning experiences . . .



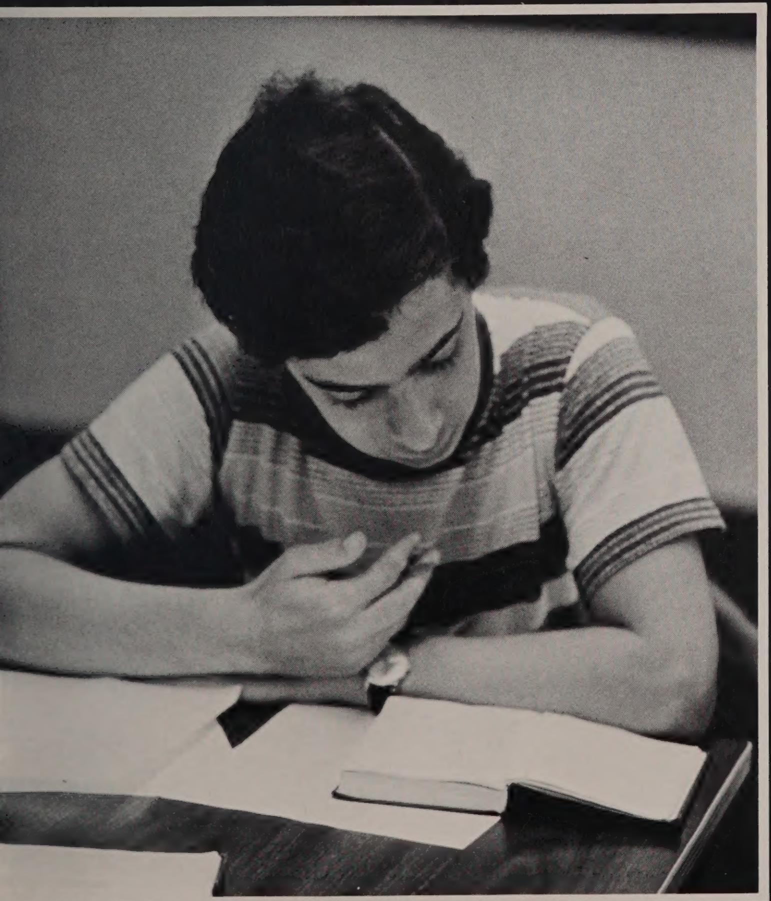
. . . *of sharing*

and working together . . .





. . . of the different cultures we represent . . .



. . . of setting goals
and working toward them . . .

. . . but, mostly, our memories are of each other . . .

. . . *memories* . . .

. . . that are now
a part of us.

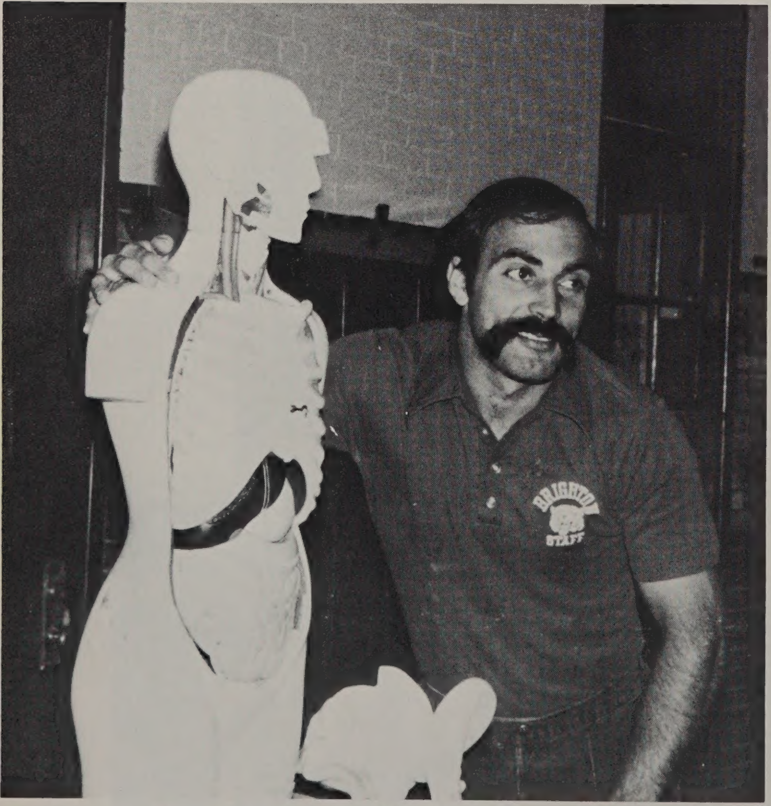
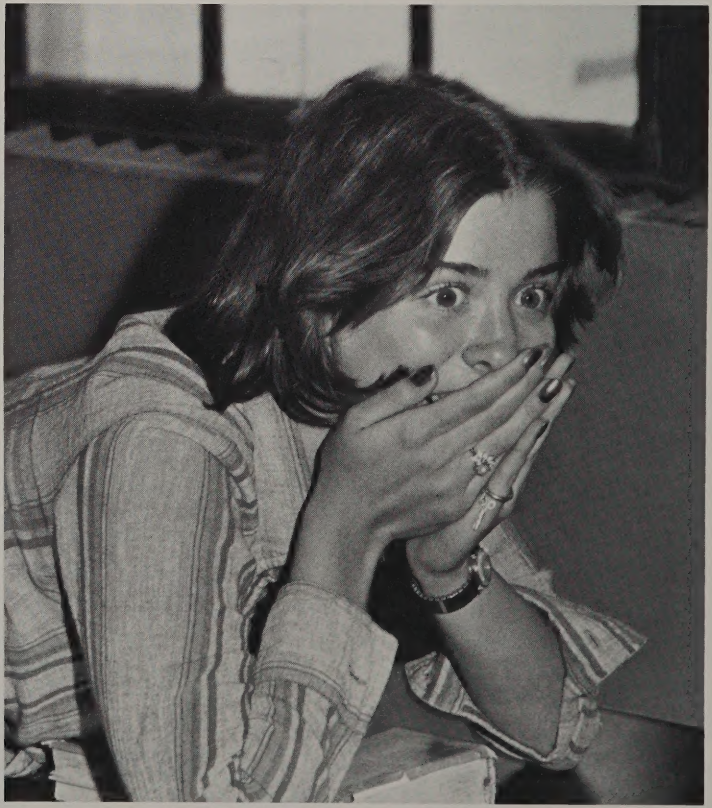
Aye-Aye, Captain!

Clean up crew.



Do you think my mother will like her?



He didn't!

Ooh, this is heavy!

Who pulled that fire alarm?

Is it soup yet?

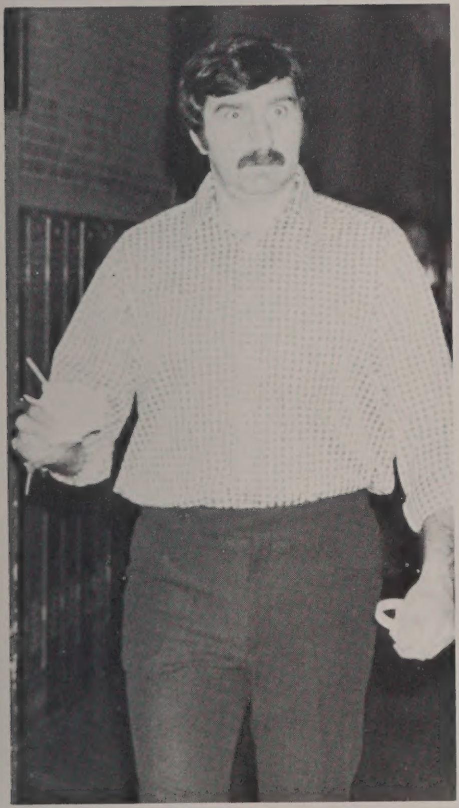
Who's SHE looking at?

Can we have a flick of your Bic?

I don't believe it!

Oh my aching feet!

Moe, Larry, Curly.



Eeek, a mouse!

Off-Campus

Brighton High School offers a wide variety of off-campus educational opportunities. Included among these is the Automotive Department's Cooperative Program which enables students to work for a salary at a job in the trade. The Distributive Education Clubs of America (DECA) Program prepares students for careers in marketing and distribution through a coordinated program of classwork and on-the-job training. A large number of volunteer opportunities are available to students who donate their time and talents to local hospitals and schools. Many students at Brighton elect to spend part of their school day at the Occupational Resource Center, where a wide variety of vocationally oriented programs are available.

C.C.C.

This year's Chinese Cultural Club of Brighton High School has had many activities of its own and has participated with the Chinese Clubs of four other high schools. Meetings of the officers from each school were held weekly to discuss and plan activities for the members. Some of the activities included parties, ice skating, apple picking, dining at a Chinese restaurant, horseback riding, rollerskating, hayriding, picnics, bake sales, raffles, ping-pong, volleyball, and basketball teams. It has been an active year and the members of the Chinese Cultural Club hope it will influence and set an example for future members.

Journalism

The Castle News, the product of Brighton High's journalism class, is a means by which students at the high school communicate to each other the happenings around the school. Students write the stories, take the photos and do the layout and design for the newspaper. Senior members of the staff include Ann-Marie Cunniff, Theresa Tapley, Bruce Turransky, Jethro White, Rita Visco, Robert Bloom, Linda DePietro, Saundra Cartwright and Kathy Smith.

Cross Cultural Communications

The Cross Cultural Communications Club seeks to develop and reinforce appreciation for the diverse cultures represented in both student body and faculty at Brighton High School.

The program for 1976-77 included lectures from the University Museums at Harvard, lectures from Brighton High's faculty, and a field trip to the Whole World Celebration sponsored by the International Institute of Boston.

The project for the year was the publication of a booklet of useful idioms given in the various first languages spoken by students and teachers in our mini-world at Brighton High School.

Chinese Theater Arts

Over the past three years, some of Brighton High's bilingual students have had the opportunity to participate in the Bilingual Theater Arts Program, a Title VII federal project, co-sponsored by the Mayor's Office of Cultural Affairs and the Department of Bilingual Education of the Boston Public Schools. Chinese bilingual students have been instructed in the basics of Chinese dance by Mr. Walter Chan, a prominent choreographer from Hong Kong. Along with doing basic dance exercises and rehearsing for performances, the students have been learning about the history of Chinese theater with a focus on the Chinese opera tradition.

Bilingual theater arts students have all learned about many of the aspects involved in a performance through their own experiences in making their own costumes, props, and sets, applying make-up, or assisting backstage with the lights and sound system. They have realized that performing on stage before a live audience of fellow students and teachers can be an exciting experience. They feel proud and eager to share what they have learned about theater and their own culture with others.

Football

The Bengals had what seemed like insurmountable problems this year, such as breaking in three different quarterbacks during one half of the season. Despite the problems, however, team spirit remained high. The players attended practices regularly, worked hard, and, with Chuck Pereira sparking the team at quarterback, the Bengals ended the season with a 6-4 record.

The team's biggest win came against "undefeatable" South Boston. Final score: 21-6.

Standouts all season long included All-Scholastic Bob Walton, All-City selections Joe Lyons and Al Fulcher, quarterback Chuck Periera, and seniors Ronald Patterson, Al Graveline, Mike McGowan, Paul McManus, Mike Mahoney, Roberto Pagan, Mike O'Brien, Larry Walsh, and Dennis Richey.

Cheerleading

The cheerleaders, this year as in many years in the past, have cheered our boys on to victory in both good weather and bad. Unfortunately some aspects of cheerleading are not as glamorous as they seem. These aspects include long hours of practice, as well as cheering in bad weather (even rain and snow). But through all of the unpleasantries the girls came through smiling. Their long hours of practice make them one of the finest cheerleading squads in the city.

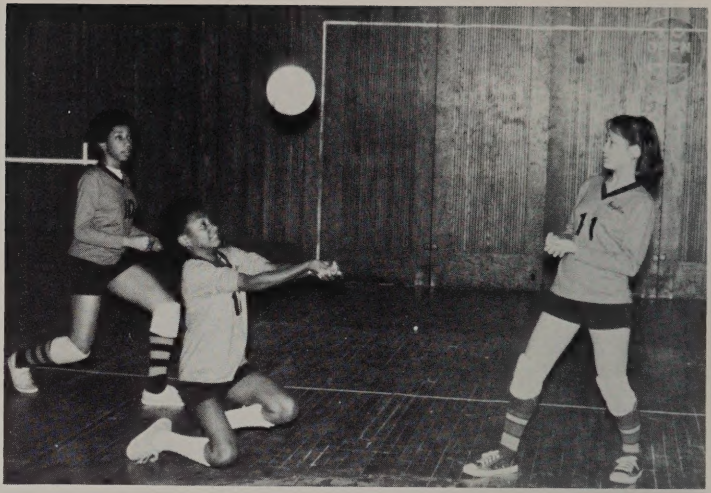
Volleyball

The Brighton High Girls Volleyball Team had an excellent 1976 season, finishing with a record of 9-3. This record won them a place in the state championship playoffs.

Every girl played her position to the best of her ability and thus contributed to the impressive unity of the team.

Coach Kelly, in her first year at B.H.S. states that it was a ''privilege and joy'' to have coached the team.



We'll miss our seniors:

Soccer

Although the B.H.S. Soccer Team had a losing season, the team did win four and tie two. Despite the losses, which were largely due to the lack of experience on the team, all the games were played well and featured some outstanding individual efforts.

The team will miss graduating Captains George Pitsilis and Tony Lopes, who kept alive the real team spirit the squad demonstrated all season.

The team expresses its gratitude to Nancy Rothwell and Kerin Kelly who did outstanding jobs as team manager and team timer.

Basketball

With one of the strongest schedules in the school's history facing them, the 1976-77 edition of the Brighton High Basketball Team prepared for a season of high competition.

Don Bosco, Ringe Tech. and Newton North provided much of the non-league opposition while the Bengals also battled Dorchester, Technical, Hyde Park and Boston English in the powerful Boston City League.

After the first five games, Brighton's record read 0-5 and post season tournament berth seemed unlikely. However, several adjustments in personnel and a more concentrated offense saw Brighton explode for 10 wins in their next eleven games and well on their way to both city and State Tournaments berths.

Much of the credit for the Bengals success goes to 6′6″ Co-Captain James Mitchell who dominated the backboards and averaged 16 points per game and also Co-Captain Howard James, who established himself as the premier perimeter shooter in the city, averaging 18 points per game.

Mitchell was also a three year City All-Star selection and a Boston Globe All-Scholastic.

Other players who contributed fine performances in the front court were Bob Walton, Sam Cooper, and Mark Ward.

Ward's deft shooting, Cooper's ability in the clutch, and Walton's physical strength in rebounding were trademarks of Bengal victory.

Backcourt standouts were point guard Chris Jennings, the team's best foul shooter, quick Jethro White and C. J. Williams. Chuck Pereira, Mike Tanner and Dennis Richey were the reserves responsible for sparking late game rallies, while Vernon Reid became the team's "captain of the bench."

Girls' Basketball

Coach Kelly instructs the girls.

Brighton High School's Girls' Basketball Team had a victorious season with 13 wins and 1 loss. The difference between Brighton's team and others has not been talent but hard work. They have worked hard, not as individuals, but as a team.

Outstanding in their performances were Sheila Keyes, our center, whose rebounding and second efforts go unmatched in the city; Donna Cook whose ability to quarterback the team has been vital to the success of the team; Charlene Lewis whose quickness and accuracy as a shooter is astounding; and Theresa Allen and Juanita Thompson who have worked hard and have been there when we needed them.

Hockey

Wait til next year! The hockey season has had its share of difficulties. The main problem has been depth. We are a dichotomy. We are experienced, yet half the squad never played in an organized league. Nine members of the squad are juniors and seniors. The remainder of the squad is comprised of freshmen and sophomores.

The positive aspect of this is that the younger players have been getting experience. They are benefitting from exposure to Joseph Lyons, William Shinkwin, Douglas Henry, William McCaig, Joseph Antonelli, and Michael Mahony. They will have played with an excellent group of fine, dedicated gentlemen.

The negative aspect is that Brighton is losing yet another group of seniors. They have given their all and, hopefully, have come away better for it. But there will be a void that will be hard to fill with their departure.

The season, despite all, has been a success - but wait till next year!

Track Team

This year's Brighton High Track Team proved itself to be one of the strongest teams in several years. With a 4-1 record things look promising for the coming year. This year's success was due to a strong nucleus of fifteen dedicated men. Seniors Paul McGowan (1000 Yd.), Steve McKenna (300 Yd.), and Al Graveline (Shot Put) lead other standouts Ed Taylor (300 Yd.), Martin Serrette (50 Yd.), Mike Burton (Mile), Jose Torres (2 Mile), Tony Moderios (1000 Yd.) and Mark Wade (600 Yd.) to a successful year. With the added help of Rupert Weeks, Lenny McCassie, Larze Thompson, Ralph Johnson and Charlie Ellis, Coach Neri is looking forward to next year's season.

Swim Team

Co-Captains Kathy Cardarelli and Ann-Marie Cunniff began the season by recruiting team members to add to a squad that had only two returning successful members and the team concluded the season with the commendable record of four wins and five loses and a sixth place finish in the City Championships.

In the championship meet both relay teams reached the finals, and Ann-Marie Cunniff took the fourth place medal in the Fifty Yard Free Style.

Senior Terry Tapley did a fine job in her first competitive year by scoring points consistently in the 100 and 200 Yard Freestyle events in the dual meet competition.

The team's new coach, Miss Vance, was very pleased with the enthusiasm and steady improvement demonstrated by the team.

The graduating seniors will be missed, but the team should be strong next year due to the contributions of returning divers Cathy Baggs and Karen Tapley and the versatile Barbara Tapley.

Swim Team

This year's Boys Swim Team was young, consisting mostly of freshmen. Captain Jeff Forbes and Co-Captain Steve Hendricks provided strong leadership. Steve Anzaldi swam the butterfly. Jeremy Ko and Sheldon Yong are hopefuls for the future doing the breast stroke. Steve Hendricks was the team's top swimmer, specializing in the individual medley.

Sophomores Ray Simpson and Glen Campbell were the team's divers and look good for the future.

Bowling

The bowling team started its season in December. The team is made up of girls from each grade level. Some of the girls had bowled before; others had never bowled at all. Since December, there have been bi-weekly practices and the averages have steadily improved for all the girls.

The team is eagerly looking forward to the Tournament in March when it will bowl against other Boston Schools.

Some outstanding seniors on the team are Maureen Glennon, Donna Hayle, Pam Garrity and Patti Lung.

HAIR SLAVES, GO FREE!

Rid yourself of the Purgatorial agony of dryers, of the medieval shackles of metallic roller heads and the cotton candy teased tortured look. Let us emancipate you with pure scissor styling that gives you freedom & freshness. Our lamp cuts, blower cuts, wash & wear, are for this area. Good for any age any hair. Also No-Set Permanent Wave. No rollers & no pins. You may never have to set your hair again. The natural potential that every head of hair has its message to reveal to those who can hear it. We are those stylists.
